

Ain't it funny how time slips away (Willie Nelson) Key: C

Well, hello there
My, it's been a long, long time
How am I doing?
Oh, I guess that I'm doing fine
It's been so long now,
But it seems like, it was only yesterday
Gee, ain't it funny, how time slips away.

How's your new love?
I hope that he's doin fine
I heard you told him,
That you'd love him till the end of time
Now, that's the same thing that you told me
Seems like just the other day
Gee, ain't it funny, how time slips away.

I gotta go now
I guess I'll see you around
I don't know when though
Never know, when I'll be back in town
But remember, what I tell you
In time you're gonna pay
And it's surprising, how time slips away...

(Sittin' on) The dock of the bay (Otis Redding) Key: C

**Sittin' in the mornin' sun
I'll be sittin' when the evenin' comes
Watchin' the ships roll in
Then I watch 'em roll away again, yeah
I'm sittin' on the dock of the bay
Watchin' the tide roll away, ooo
I'm just sittin' on the dock of the bay
Wastin' time**

**I left my home in Georgia
Headed for the Frisco Bay
'Cause I had nothin' to live for
It look like nothin's gonna come my way
So I'm just goin' sittin' on the dock of the bay
Watchin' the tide roll away, ooo
I'm sittin' on the dock of the bay, wastin' time**

(Bridge)

**Look like nothin's gonna change
Everything, still remains the same
I can't do what ten people tell me to do
So I guess I'll remain the same, yes**

(Instrumental)

**Sittin' here restin' my bones
And this loneliness won't leave me alone, yes
Two thousand miles, I roam
Just to make this dock my home
Now I'm just gonna sit, at the dock of the bay
Watchin' the tide roll away, ooo yea
Sittin' on the dock of the bay
Wastin' time (whistle)**

Hello (Adele) Key: Em (Keys: -11)

Hello, it's me
I was wondering if after all these years you'd like to meet
To go over everything
They say that time's supposed to heal, yeah, but I ain't done much healing

Hello, can you hear me?
I'm in California dreaming about who we used to be
When we were younger and free
I've forgotten how it felt before the world fell at our feet

There's such a difference between us
And a million miles

(Chorus - harmony parts don't appear until subsequent choruses)

Hello from the other side (other side)
I must've called a thousand times (thousand times)
To tell you I'm sorry, for everything that I've done (I'm sorry, for everything that I've done)
But when I call you never seem to be home (you never seem to be home)

Hello from the outside (outside)
At least I can say that I've tried (I've tried)
To tell you I'm sorry, for breaking your heart (I'm sorry, for breaking your heart)
But it don't matter, it clearly doesn't tear you apart anymore (it clearly doesn't tear you apart anymore)

Hello, how are you?
It's so typical of me to talk about myself, I'm sorry
I hope that you're well
Did you ever make it out of that town where nothing ever happened?

It's no secret
That the both of us are running out of time

(Chorus)

Ooh, anymore
Ooh, anymore
Ooh, anymore
Anymore...

(Chorus)

Stone In Love (*Journey*) Key: G

**Those crazy nights, I do remember in my youth

In the heat with a blue jean girl
Burnin' love comes once in a lifetime
She found me singing by the rail road track
Took me home, we danced by moonlight**

(Chorus)

**Those summer nights are callin',
Stone in love
Can't help myself I'm fallin'
Stone in love**

**Old dusty roads, led to the river
Runnin' slow
She pulled me down, and in clover
We'd go 'round
In the heat with a blue jean girl
Burnin' love comes once in a lifetime
Oh the memories never fade away
Golden girl, I'll keep you forever**

(Chorus)

(Instrumental)

Black Horse & The Cherry Tree (KT Tunstall) Key: Em

{Two, three, four}

**Well my heart knows me better than I know myself
So I'm gonna let it do all the talking.
I came across a place in the middle of nowhere
With a big black horse and a cherry tree.**

**I felt a little fear upon my back
He said "Don't look back, just keep on walking."
When the big black horse said, "Look this way" He Said, "Hey, baby, will you marry me?"**

**But I said no, no, no, no-no-no
I said no, no, you're not the one for me
No, no, no, no-no-no
I said no, no, you're not the one for me**

**And my heart hit a problem, in the early hours,
So I stopped it dead for a beat or two.
But I cut some cord, and I shouldn't have done it,
And it won't forgive me after all these years**

**So I sent it to a place in the middle of nowhere
With a big black horse and a cherry tree.
Now it won't come back, 'cause it's oh so happy
And now I've got a hole for the world to see**

(Chorus)

{Not the one for me}

(Chorus)

(do, do, do, do)

Big black horse and a cherry tree
I can't quite get there 'cause my heart's forsaken me

(Big black horse and a cherry tree) I can't quite get there 'cause my heart's forsaken me

Ex's and Oh's (Elle King) Key: Em

(Bridge)

(Instrumental)

Well, I had me a boy, turned him into a man
I showed him all the things that he didn't understand
Whoa, and then I let him go
Now, there's one in California who's been cursing my name
Cause I found me a better lover in the UK
Hey, hey, until I made my getaway

(Chorus)

One, two, three, they gonna run back to me
Cause I'm the best baby that they never gotta keep
One, two, three, they gonna run back to me
They always wanna come, but they never wanna leave

Ex's and the oh, oh, oh's they haunt me
Like ghosts they want me to make 'em O
They won't let go
Ex's and oh's

I had a summer lover down in New Orleans
Kept him warm in the winter, left him frozen in the spring
My, my, how the seasons go by
I get high, and I love to get low
So the hearts keep breaking, and the heads just roll
You know that's how the story goes

(Chorus)

Gold On The Ceiling (The Black Keys) Key: G (Keys: Gold Ceiling Setting)

Down in the waves
She screams again
Roar at the door
My mind can't take much more
I could never drown in

(Chorus)

They wanna get my
They wanna get my
Gold on the ceiling
I ain't blind
Just a matter of time
Before you steal it
It's alright
Ain't no guard in my house

Clouds covered love's
Barb-wired snare
Strung up, strung out
I just can't go without
I could never drown in

(Chorus)

Set Fire to the Rain (Adele) Key: Dm (Keys: Piano, -2)

I let it fall, my heart
And as it fell, you rose to claim it
It was dark and I was over
Until you kissed my lips and you saved me
My hands, they were strong, but my knees were far too weak
To stand in your arms without falling to your feet

But there's a side to you that I never knew, never knew
All the things you'd say, they were never true, never true
And the games you'd play, you would always win, always win

(Chorus)

But I set fire to the rain
Watched it pour as I touched your face
Well, it burned while I cried
'Cause I heard it screaming out your name, your name

When laying with you I could stay there
Close my eyes, feel you here forever
You and me together, nothing is better

'Cause there's a side to you that I never knew, never knew
All the things you'd say, they were never true, never true
And the games you's play, you would always win, always win

(Chorus)

But I set fire to the rain
Watched it pour as I touched your face
Well, it burned while I cried
'Cause I heard it screaming out your name, your name

I set fire to the rain
And I threw us into the flames
When we fell, something died
'Cause I knew that that was the last time, the last time

Sometimes I wake up by the door
That heart you caught must be waiting for you
Even now when we're already over
I can't help myself from looking for you

(Chorus)

Oh, no
Let it burn, oh
Let it burn
Let it burn

Mary Jane's Last Dance (Tom Petty) (H-Am) Key: Am

She grew up in an Indiana town,
Had a good-lookin' mama who never was around.
But she grew up tall and she grew up right
With them Indiana boys on them Indiana nights.

Well, she moved down here at the age of eighteen.
She blew the boys away, was more than they'd seen.
I was introduced and we both started groovin'.
I said, "I dig you baby, but I got to keep movin' on.
Keep movin' on."

Chorus

Last dance with Mary Jane, one more time to kill the pain.

I feel summer creepin' in and I'm tired of this town again.

Well, I don't know, but I've been told,
You never slow down, you never grow old.
I'm tired of screwin' up, tired of going down,
Tired of myself, tired of this town.

Oh, my, my. Oh, hell, yes.
Honey, put on that party dress.
Buy me a drink, sing me a song.
Take me as I come 'cause I can't stay long.

Chorus

Last dance with Mary Jane, one more time to kill the pain.

I feel summer creepin' in and I'm tired of this town again.

There's pigeons down on Market Square.
She's standin' in her underwear,
Lookin' down from a hotel room.
Nightfall will be comin' soon.

Oh, my, my. Oh, hell, yes.
You got to put on that party dress.
It was too cold to cry when I woke up alone.
I hit my last number and walked to the road.

Chorus

Last dance with Mary Jane, one more time to kill the pain.

I feel summer creepin' in and I'm tired of this town again.

Folsom Prison Blues (Johnny Cash) Key: Capo / D (2 Frets)

I hear the train a comin'
It's rollin' 'round the bend,
And I ain't seen the sunshine,
Since, I don't know when,
I'm stuck in Folsom Prison,
And time keeps draggin' on,
But that train keeps a-rollin',
On down to San Antone.

When I was just a baby,
My Mama told me, "Son,
Always be a good boy,
Don't ever play with guns,"
But I shot a man in Reno,
Just to watch him die,
When I hear that whistle blowin',
I hang my head and cry.

I bet there's rich folks eatin',
In a fancy dining car,
They're probably drinkin' coffee,
And smokin' big cigars,
But I know I had it comin',
I know I can't be free,
But those people keep a-movin',
And that's what tortures me.

Well, if they freed me from this prison,
If that railroad train was mine,
I bet I'd move out over a little,
Farther down the line,
Far from Folsom Prison,
That's where I want to stay,
And I'd let that lonesome whistle,
Blow my Blues away.

Whole Lotta Love (Led Zeppelin) Key: E

What's Up? (4 Non-Blondes) (MS-AC) Key: A

**25 years of my life and still
I'm trying to get up that great big hill of hope
For a destination
I realized quickly when I knew I should
That the world was made up of this
Brotherhood of man
For whatever that means**

**So I cry sometimes when I'm lying in bed
To get it all out what's in my head
Then I start feeling a little peculiar
So I wake in the morning and I step
Outside I take deep breath
I get real high
Then I scream from the top of my lungs
What's goin' on**

**And I say hey...
And I say hey what's goin' on
And I say hey...
I said hey what's goin' on**

**And I try, oh my God do I try
I try all the time
In this institution
And I pray, oh my God do I pray
I pray every single day
For a revolution**

**So I cry sometimes when I'm lying in my bed
To get it all out what's in my head
Then I start feeling a little peculiar
So I wake in the morning and I step outside
I take a deep breath then I get real high
Then I scream from the top of my lungs
What's goin' on**

**And I say hey...
And I say hey what's goin' on
And I say hey...
I said hey what's goin' on**

**And I say hey...
And I say hey what's goin' on
And I say hey...
I said hey what's goin' on**

**25 years of my life and still
I'm trying to get up that great big hill of hope
For a destination**

Rolling In The Deep (Adele) (Piano -4)

Key: Cm

Em, D, C, Bm/B

There's a fire starting in my heart
Reaching a fevered pitch and it's bringing me out
the dark
Finally, I can see you crystal clear,
Go ahead and sell me out and I'll lay your ship bare

See how I'll leave with every piece of you
Don't underestimate the things that I will do
There's a fire starting in my heart
Reaching a fever pitch and it's bring me out the
dark

The scars of your love remind me of us
They keep me thinking that we almost had it all
The scars of your love, they leave me breathless
I can't help feeling
We could have had it all

Rolling in the deep
You had my heart inside of your hand
And you played it to the beat

Baby, I have no story to be told
But I've heard one on you and I'm gonna make
your head burn
Think of me in the depths of your despair
Making a home down there as mine sure won't be
shared

The scars of your love remind me of us
They keep me thinking that we almost had it all
The scars of your love, they leave me breathless
I can't help feeling
We could have had it all

Rolling in the deep
You had my heart inside of your hand
And you played it to the beat
Could have had it all
Rolling in the deep
You had my heart inside of your hand
But you played it with a beating

(Claps)

Throw your soul through every open door
(whooooaaahhh....)
Count your blessings to find what you look for

Turn my sorrow into treasured gold
You'll pay me back in kind and reap just what
you've sown

We could have had it all
We could have had it all
It all, it all, it all

We could have had it all
Rolling in the deep
You had my heart inside of your hand
And you played it to the beat

Could have had it all
Rolling in the deep
You had my heart inside of your hand

But you played it,
You played it,
You played it,
You played it to the beat.

Neal's Cheat notes:
You're gonna wish you
Never had met me
Tears are gonna fall
Rolling in the deep

I Won't Back Down (Tom Petty) Key: Em

Well I won't back down
No I won't back down
You could stand me up at the gates of hell
But I won't back down

Gonna stand my ground
Won't be turned around
And I'll keep this world from draggin' me down
Gonna stand my ground
And I won't back down

(Chorus)

Hey baby
There ain't no easy way out
Hey I
I will stand my ground
And I won't back down

Well I know what's right
I got just one life
In a world that keeps on pushin' me around
But I'll stand my ground
And I won't back down

(Chorus)

(Chorus)

You Never Even Called Me By My Name (David Allan Coe) Key: C

**It was all that I could do to keep from cryin'
Sometimes it seems so useless to remain
You don't have to call me darlin', darlin'
You never even call me by my name.**

**You don't have to call me Waylon Jennings
And you don't have to call me Charlie Pride.
You don't have to call me Merle Haggard, any-
more.
Even though your on my fightin' side.**

**And I'll hang around as long as you will let me
And I never minded standin' in the rain.
You don't have to call me darlin', darlin'
You never even call me by my name.**

**I've heard my name a few times in your phone
book
I've seen it on signs where I've laid
But the only time I know, I'll hear David Allan
Coe
Is when Jesus has his final judgement day.**

CHORUS

**Well, a friend of mine named Steve Goodman
wrote that song
and he told me it was the perfect country and
western song
I wrote him back a letter and told him it was
NOT the perfect
country and western song because he hadn't
said anything about
Momma, or trains, or trucks, or prison, or get-
tin' drunk.
Well, he sat down and wrote another verse to
the song and he sent
it to me and after reading it, I realized that my
friend had written
the perfect country and western song. And I
felt obliged to include it
on this album. The last verse goes like this
here:**

**Well, I was drunk the day my Mom got outta
prison.
And I went to pick her up in the rain.
But, before I could get to the station in my
pickup truck**

She got runned over by a damned old train.

CHORUS

**So I'll hang around as long as you will let me
And I never minded standin' in the rain. No,
You don't have to call me darlin', darlin'
You never even call me, I wonder why you
don't call me
Why don't you ever call me by my name.**

Running Down A Dream (Tom Petty) Key: Em

**It was a beautiful day, the sun beat down
I had the radio on, I was drivin'
The trees went back, me and Del were singin'
Little Runaway, I was so blind**

**Yeah, Runnin' down a dream
Never would come to me
Workin' on a mystery
Goin' wherever it leads
Runnin' down a dream**

**I felt so good, like anything was possible
Hit cruise control, and rub my eyes
Last three days, the rain was unstoppable
(It) was always cold, no sunshine**

**Yeah, Runnin' down a dream
Never would come to me
Workin' on a mystery
Goin' wherever it leads
Runnin' down a dream**

**I rolled on, the sky grew dark
I put the pedal down, to make some time
There's something good, waiting down this road
I'm pickin' up, whatever is mine**

I'm the only one (Melissa Etheridge) Key: G

**Please baby can't you see my mind's a burnin' hell
I got razors a rippin' and tearin' and strippin' my heart apart as well
Tonight you told me that you ache for something new
And some other woman is lookin' like something that might be good for you**

**Go on and hold her till the scheming is gone
Go on believe her when she tells you nothing's wrong
But I'm the only one
Who'll walk across the fire for you
I'm the only one
Who'll drown in my desire for you
It's only fear that makes you run
The demons that you're hiding from
When all your promises are gone
I'm the only one**

**Please baby can't you see I'm trying to explain
I've been here before and I'm locking the door and I'm not going back again
Her eyes and arms and skin won't make it go away
You'll wake up tomorrow and wrestle the sorrow that holds you down today**

Chorus

Bridge/Lead

**Go on and hold her till the scheming is gone
Go on believe her when she tells you nothing's wrong
But I'm the only one, Who'll walk across the fire for you
I'm the only one who'll drown in my desire for you
It's only fear that makes you run the demons that you're hiding from
When all your promises are gone I'm the only one**

Long Train Runnin' (Doobie Brothers) (H-A) Key: Em

**Down around the corner, half a mile from here,
You see them long trains run, and you watch 'em disappear.
Without love, where would you be now?
(Without love)**

**You know I saw Miss Lucy, down along the tracks
She lost her home and her family, and she won't be comin' back
Without love, where would you be now?
(Without love)**

(Staccato)

**Well, the Illinois Central, and the Southern Central Freight
Gotta keep on pushin' Mama, 'cause they're runnin' late
Without love where would you be now (now, now, now?)
(Without love)**

(Harmonica Break)

**We Illinois Central, and the Southern Central Freight
Gotta keep on pushin' Mama, 'cause they're runnin' late
Without love, where would you be now?
(Without love)**

(Staccato)

**Where pistons keep on churnin', and wheels go 'round and 'round
And the steel rails are cold and hard, as the miles that they go down
Without love, where would you be right now?
(Without love, oooohhhh)
Where would you be now?**

**Mmmmm... Got to get through, baby, baby, won't you move it down?
Want to move it down
Baby, baby, baby, baby
Want to move it down**

**Where the big trains run
With the train a' movin' on
They gotta keep on movin'
Keep on movin'
Keep on movin'
Gonna keep on movin'**

Willin' (Little Feat) Key: D

**I been warped by the rain, driven by the snow
I'm drunk and dirty don't ya know, and I'm still, willin'
Out on the road late at night, Seen my pretty Alice in every head light
Alice, Dallas Alice**

**I've been from Tucson to Tucumcari
Tehachapi to Tonopah
Driven every kind of rig that's ever been made
Driven the back roads so I wouldn't get weighed**

**And if you give me: weed, whites, and wine
And you show me a sign
I'll be willin', to be movin'**

**I've been kicked by the wind, robbed by the sleet
Had my head stoved in, but I'm still on my feet and I'm still... willin'
Now I smuggled some smokes and folks from Mexico
Baked by the sun, every time I go to Mexico, and I'm still**

**And I been from Tucson to Tucumcari
Tehachapi to Tonopah
Driven every kind of rig that's ever been made
Driven the back roads so I wouldn't get weighed**

**And if you give me: weed, whites, and wine
And you show me a sign
I'll be willin', to be movin'**

Hotel California (Eagles) Key: Am

On a dark desert highway, cool wind in my hair
Warm smell of colitas, rising up through the air
Up ahead in the distance, I saw shimmering light
My head grew heavy and my sight grew dim
I had to stop for the night

There she stood in the doorway;
I heard the mission bell
And I was thinking to myself,
'This could be Heaven or this could be Hell'
Then she lit up a candle and she showed me the way
There were voices down the corridor,
I thought I heard them say...

Welcome to the Hotel California
Such a lovely place (Such a lovely place)
Such a lovely face
Plenty of room at the Hotel California
Any time of year (Any time of year)
You can find it here

Her mind is Tiffany-twisted, she got the Mercedes bends
She got a lot of pretty, pretty boys she calls friends
How they dance in the courtyard, sweet summer sweat.
Some dance to remember, some dance to forget

So I called up the Captain,
'Please bring me my wine'
He said, 'We haven't had that spirit here since nineteen sixty nine'
And still those voices are calling from far away,
Wake you up in the middle of the night
Just to hear them say...

Welcome to the Hotel California
Such a lovely place (Such a lovely place)
Such a lovely face
They livin' it up at the Hotel California
What a nice surprise (what a nice surprise)
Bring your alibis

Mirrors on the ceiling,
The pink champagne on ice
And she said 'We are all just prisoners here,
of our own device'
And in the master's chambers,
They gathered for the feast
They stab it with their steely knives,
But they just can't kill the beast

Last thing I remember, I was
Running for the door
I had to find the passage back
To the place I was before
'Relax,' said the night man,
'We are programmed to receive.
You can check-out any time you like,
But you can never leave!'

Moondance (Van Morrison) Key: Am

**Well, it's a marvelous night for a Moondance
With the stars up above in your eyes
A fantabulous night to make romance
'Neath the cover of October skies**

**And all the leaves on the trees are falling
To the sound of the breezes that blow
And I'm trying to please to the calling
Of your heart-strings that play soft and low**

**And all the night's magic
Seems to whisper and hush
And all the soft moonlight
Seems to shine in your blush**

**Can I just have one more Moondance with
you, my love?
Can I just make some more romance with you,
my love?**

**Well, I wanna make love to you tonight
I can't wait till the morning has come
And I know that the time is just right
And straight into my arms you will run**

**And when you come my heart will be waiting
To make sure that you're never alone
There and then all my dreams will come true,
dear
There and then I will make you my own**

**Any time I touch you

And I know how much you want me
That you can't hide**

my love?**

Night Moves (Bob Segar) Key: C

**I was a little too tall Could've used a few pounds
Tight pants points hardly reknown
She was a black-haired beauty with big dark eyes
And points all her own sitting way up high**

Way up firm and high

**Out past the cornfields where the woods got heavy
Out in the back seat of my '60 Chevy
Workin' on mysteries without any clues**

**Workin' on our night moves
Tryin' to make some front page drive-in news
Workin' on our night moves**

**In the summertime
In the sweet summertime**

**We weren't in love, oh no, far from it
We weren't searchin' for some pie in the sky summit
We were just young and restless and bored
Livin' by the sword**

**And we'd steal away every chance we could
To the backroom, to the alley or the trusty woods
I used her, she used me But neither one cared
We were gettin' our share**

**Workin' on our night moves
Tryin' to lose the awkward teenage blues
Workin' on our night moves**

And it was summertime

(Bridge)

**And oh the wonder
We felt the lightning
And we waited on the thunder
Waited on the thunder**

**I awoke last night to the sound of thunder
How far off I sat and wondered
Started humming a song from 1962
Ain't it funny how the night moves
When you just don't seem to have as much to lose
Strange how the night moves
With autumn closing in**

Keep repeating "Night Moves"

Dreamboat Annie (Heart) Key: Dm

Heading out this morning into the sun
Riding on the diamond waves, little darlin' one
Warm wind caressed her, Her lover it seems
Oh, Annie, Dreamboat Annie, my little ship of dreams

Going down the city sidewalk alone in the crowd
No one knows the lonely one whose head's in the clouds
Sad faces painted over with those magazine smiles
Heading out to somewhere won't be back for a while

Crazy On You (Heart) Key: Am

We may still have time, we might still get by
Every time I think about it I want to cry
With bombs and the devils and the kids keep coming
Nowhere to breathe easy no time to be young

But I tell myself that I'm doing all right
There's nothing left to do tonight

But go crazy on you
Crazy on you
Let me go crazy crazy on you

My love is the evening breeze touching your skin
The gentle sweet singing of leaves in the wind
The whisper that calls after you in the night
And kisses your ear in the early light

And you don't need to wonder you're doing fine
And my love the pleasure's mine

(Chorus)

(Bridge)

Wild man's world is crying in pain
What're you going to do - everybody's insane
So afraid of one who's so afraid of you
What're you going to do?

(Chorus)

I was a willow last night in my dream
I bent down over a clear running stream
I sang you a song that I heard up above
And you kept me alive with your sweet flowing love

(Chorus)

Wagon Wheel (Old Crow Medicine Show) Key: A

**Headed down south to the land of the pines, And I'm thumbin' my way into North Caroline
Starin' up the road, Pray to God I see headlights
I made it down the coast in seventeen hours, Pickin' me a bouquet of dogwood flowers
And I'm a hopin' for Raleigh, I can see my baby tonight**

(Chorus)

**So rock me mama like a wagon wheel
Rock me mama anyway you feel
Hey mama rock me
Rock me mama like the wind and the rain
Rock me mama like a south-bound train
Hey mama rock me**

**Runnin' from the cold up in New England, I was born to be a fiddler in an old-time stringband
My baby plays the guitar, I pick a banjo now
Oh, the North country winters keep a gettin' me down, Lost my money playin' poker so I had to
up and leave
But I ain't a turnin' back, To livin' that old life no more**

(Chorus)

**Walkin' to the south out of Roanoke, I caught a trucker out of Philly - Had a nice long toke
But he's a headed west from the Cumberland Gap, To Johnson City, Tennessee
And I gotta get a move on before the sun, I hear my baby callin' my name
And I know that she's the only one, And if I die in Raleigh - At least I will die free**

(Chorus)

Headed down south to the land of the pines

So rock me mama like a wagon wheel / Rock me mama like the wind and the rain

Runnin' from the cold up in New England, I was born to be a fiddler...

Walkin' to the south out of Roanoke

And I gotta get a move on before the sun...

Send lawyers, guns and money...

Who Do You Love? (George Thorogood & The Destroyers) Key: E

**I walked forty-seven miles of barbed wire
I got a cobra snake for a necktie
A brand new house on the road side
and it's a-made out of rattlesnake hide
Got a band new chimney put on top
and it's a-made out of human skull
Come on take a little walk with me baby
and tell me who do you love?**

(Chorus)

**Who do you love?
Who do you love?**

**Around the town I use a rattlesnake whip
take it easy baby don't you give me no lip**

(Chorus)

**I've got a tombstone hand and a graveyard mind
I'm just twenty-two and I don't mind dying**

(Chorus)

**Now Arlene took a-me by my hand
she said "Lonesome George you don't understand,
who do you love?"**

**The night were dark and the sky were blue
down the alleyway a house wagon flew
Hit a bump and somebody screamed
you should've heard what I'd seen**

(Chorus)

**Yeah, I've got a tombstone hand in a graveyard mine
just twenty-two baby I don't mind dying
Snake skin shoes baby put them on your feet
got the goodtime music and the Bo Diddley beat**

(Chorus)

**I walked forty-seven miles of barbed wire
I got a cobra snake for a necktie
A brand new house on the road side
and it's made out of rattlesnake hide
Got a band new chimney put on top
and it's made out of human skull
Come on take a little walk with me child
tell me who do you love?**

(Chorus)

Whiskey Alibi (Whiskey Alibi) Key: C

I poured the coffee
She stared me down
I know when trouble
Comes to my side of town

“Where were you last night?” she said
I wanted to die
We both know I’m guilty
There’s no need to lie

(Chorus)

But I didn’t do it
Though it don’t seem so clear
I didn’t plan it
But I drank all that beer
And I didn’t mean to
Make you cry-y-y
I am the victim
With a whiskey alibi

I didn’t wanna
Drink that 80 proof
I didn’t pour it, hon
That’s the honest truth!
I didn’t mean to
Get so high-high-high
I’m clearly the victim
With a whiskey alibi

(Chorus)

(Bridge)

I know it’s wrong for me
To be wrong to you
But neon lights give me
Too much attitude
So honey, forgive me
You know what I’ll do
If you ain’t beside me
So technically baby
It’s your fault too...?

(Chorus)

(Bridge)

I would say I’m sorry
But you know it ain’t true
I’ve barely been drinkin’

But I had one or two
Didn’t mean to call you
That waitress’s name
She’s not in my plans
Wrote her name on my hand
But I think she’s to blame

(Chorus)

I should give a damn
But guilty I am
With a whiskey alibi

Who woulda thought
I’d ever get caught?
With a whiskey alibi

Rhiannon (Fleetwood Mac) Key: Am

**Rhiannon rings like a bell through the night
And wouldn't you love to love her?
Takes to the sky like a bird in flight
And who will be her lover?**

**All your life you've never seen a woman
Taken by the wind
Would you stay if she promised you heaven?
Will you ever win?**

**She is like a cat in the dark
And then she is the darkness
She rules her life like a fine skylark
And when the sky is starless**

**All your life you've never seen a woman
Taken by the wind
Would you stay if she promised you heaven?
Will you ever win?
Will you ever win?**

(Chorus)

**Rhiannon
Rhiannon
Rhiannon
Rhiannon**

**She rings like a bell through the night
And wouldn't you love to love her?
She rules her life like a bird in flight
And who will be her lover?**

**All your life you've never seen a woman
Taken by the wind
Would you stay if she promised you heaven?
Will you ever win? (2)**

(Chorus - Rhiannon x 3)

**Taken by
Taken by the sky
Taken by
Taken by the sky
Taken by
Taken by the sky**

**Dreams unwind, Love's a state of mind
Dreams unwind, Love's a state of mind**

Gimme Three Steps (Lynyrd Skynyrd) Key: D

**I was cutting a rug down at a place called the jug
With a girl named Linda Lou
When in walked a man with a gun in his hand
Looking at you-know-who**

**He said "Hey there fellow with the hair colored yellow, What you tryin' to prove?
That's my woman there and I'm a man who cares
And this might be all for you"
I said "excuse me" (I ain't gonna fight him over this girl)**

**I was scared and fearing for my life, shakin' like a leaf on a tree
Cause he was lean and mean and big and bad, a-pointin' that gun at me
Wait a minute mister I didn't even kiss her, don't want no trouble with you
And I know you don't owe me but I wish you'd let me ask one favor from you**

(Chorus)

**Won't you gimme 3 steps, Gimme 3 steps mister
Gimme 3 steps towards the door
Gimme 3 steps, Gimme 3 steps mister
You'll never see me no more (That's for sure)**

(Solo)

**Well the crowd drew away and I began to pray and the water fell on the floor
And I'm a-tellin' you son It ain't no fun starin' straight down a .44
Well he turned and screamed at Linda Lou, It was the break I was lookin' for
You could hear me screamin' a mile away, I was headed out for the door**

(Spoken)

**(Y'all keep doing what you're doing, I'm gonna talk to the people...)
From the first time I heard this song, I didn't think it was fair what happened to our man
He was just minding his own business, drinking a few beers and dancing with someone he
didn't even know!
Is that fair?! Hell no!
So I wrote another verse, just to make things more even... Stay with me!**

(Chorus)

**I ran away from The Jug but I was damn-sure tired
Of this redneck, pissed off man
The engine roared as he came out the door
I floored it and back I went**

**Where's your gun, you S.O.B?
Your woman's ugly anyway
He began a' screamin' as I chased his ass
And all the people there heard him say...**

(Chorus)

Rocky Mountain Way (Joe Walsh) Key: E

**Spent the last year
Rocky Mountain way
Couldn't get much higher
Out to pasture
Think it's safe to say
Time to open fire**

(Chorus)

**And we don't need the ladies
Cryin' 'cause the story's sad
'Cause the Rocky Mountain way
Is better than the way we had
Whoa-oh-oh**

**Well, he's tellin' us this
And he's tellin' us that
Changes it ev'ry day
Says it doesn't matter
Bases are loaded
And Casey's at bat
Playin' it play-by-play
Time to change the batter**

(Chorus)

**And we don't need the ladies
Cryin' 'cause the story's sad, uh huh
Rocky Mountain way
Is better than the way we had
Yeah-ah-ah**

Kryptonite (3 Doors Down) (Bm, G, A sus 2) Key: Bm

**Well I took a walk around the world to ease my troubled mind
I left my body lying somewhere in the sands of time
But I watched the world float to the dark side of the moon
I feel there is nothing I can do, yeah**

**I watched the world float to the dark side of the moon
After all I knew it had to be something to do with you
I really don't mind what happens now and then
As long as you'll be my friend at the end**

**And if I go crazy then will you still call me Superman?
If I'm alive and well, will you be there holding my hand?
I'll keep you by my side with my superhuman might
Kryptonite**

**You call me strong, you call me weak
But still your secrets I will keep
You took for granted all the times
[From: <http://www.elyrics.net/read/0-9/3-doors-down-lyrics/kryptonite-lyrics.html>]
I never let you down**

**You stumbled in and bumped your head
If not for me then you'd be dead
I picked you up and put you back on solid ground**

If I'm alive and well, will you be there holding my hand
I'll keep you by my side with my superhuman might

Baggage Claim (*Miranda Lambert*) Key: D

**I have been draggin' around your sensitive ego
Making sure that your bags arrive on time for the dog and pony show
A little suitcase like a brick,
It kinda makes it hard to get a good grip
I drop your troubles off at the conveyor belt,
I'll hand you a ticket to go get it yourself**

**At the baggage claim, you got a lot of luggage in your name
When you hit the ground, check the lost and found
Cause it ain't my problem now
I can't carry it on, I've got a lot of troubles on my own
It's all over the yard, in the trunk of the car,
I'm packin' it in, so come and get it.**

**If it ain't obvious what has set me off today,
Behind every woman scorned is a man who made her that way
Go on and take your little business trip with that sweet little habit
That you can't kick
You better call your mamma when you get to town
Cause I ain't gonna be hangin' around**

**At the baggage claim, you got a lot of luggage in your name
When you hit the ground, check the lost and found
Because it ain't my problem now
I can't carry it on, I've got a lot of troubles of my own
It's all over the yard, in the trunk of the car,
I'm packin' it in, so come and get it**

Come and get it!

**Come and pick it up, pick it up
Before I blow it up in flames
You better pick it up, pick it up,
Baby, I'm leaving everything...**

**At the baggage claim, you got a lot of luggage in your name
And when you hit the ground, check the lost and found
Cause it ain't my problem now
I can't carry it on, I've got a lot of troubles of my own
It's all over the yard, in the trunk of the car,
Well I'm packin' it in, so come and get it**

Come and get your shit!

Just Like A Pill (Pink) Key: A

I'm lyin' here on the floor where you left me
I think I took too much
I'm crying here, what have you done?
I thought it would be fun

I can't stay on your life support,
There's a shortage in the switch,
I can't stay on your morphine,
'Cause it's making me itch
I said I tried to call the nurse again
But she's being a little bitch,
I think I'll get outta here, where I can

Run just as fast as I can
To the middle of nowhere
To the middle of my frustrated fears
And I swear you're just like a pill
Instead of makin' me better,
You keep makin' me ill
You keep makin' me ill

I haven't moved from the spot where you left
me
This must be a bad trip
All of the other pills, they were different
Maybe I should get some help

(Chorus)

Run just as fast as I can
To the middle of nowhere
To the middle of my frustrated fears
And I swear you're just like a pill
Instead of makin' me better,
You keep makin' me ill
You keep makin' me ill

Run just as fast as I can
To the middle of nowhere
To the middle of my frustrated fears
And I swear you're just like a pill
Instead of makin' me better,
You keep makin' me ill
You keep makin' me ill

(Chorus)

Run just as fast as I can
To the middle of nowhere
To the middle of my frustrated fears

And I swear you're just like a pill
Instead of makin' me better,
You keep makin' me ill
You keep makin' me ill

Run just as fast as I can
To the middle of nowhere
To the middle of my frustrated fears
And I swear you're just like a pill
Instead of makin' me better,
You keep makin' me ill
You keep makin' me ill

Toes (Zac Brown Band) Key: A

**I got my toes in the water, ass in the sand
Not a worry in the world, a cold beer in my hand
Life is good today. Life is good today.**

**Well, the plane touched down just about 3 o'clock, And the city's still on my mind
Bikinis and palm trees danced in my head, I was still in the baggage line
Concrete and cars, Are their own prison bars Like this life I'm living in
But the plane brought me farther I'm surrounded by water, And I'm not going back again**

**I got my toes in the water, ass in the sand
Not a worry in the world, a cold beer in my hand
Life is good today. Life is good today.**

(Chorus)

**Adios and vaya con dios, Yeah, I'm leaving GA
And if it weren't for tequila and pretty señoritas, I'd have no reason to stay
Adios and vaya con dios, Yeah, I'm leaving GA
Gonna lay in the hot sun and roll a big fat one, And grab my guitar and play**

**Four days flew by, Like a drunk Friday night As the summer drew to an end
They can't believe that I just couldn't leave, And I bid adieu to my friends
Because my bartender -- she's from the islands, Her body's been kissed by the sun
And coconut replaces the smell of the bar, And I don't know if it's her or the rum**

Not a worry in the world, a cold beer in my hand
Life is good today. Life is good today.**

(Chorus)

**Adios and vaya con dios, A long way from GA

Jet Airliner (Steve Miller) Key: X

Leavin' home, out on the road
I've been down before
Ridin' along in this big ol' jet plane
I've been thinkin' about my home
But my love light seems so far away
And I feel like it's all been done
Somebody's tryin' to make me stay
You know I've got to be movin' on

(Chorus)

Oh, Oh big ol' jet airliner
Don't carry me too far away
Oh, Oh big ol' jet airliner
Cause it's here that I've got to stay

Goodbye to all my friends at home
Goodbye to people I've trusted
I've got to go out and make my way
I might get rich you know I might get busted
But my heart keeps calling me backwards
As I get on the 707
Ridin' high I got tears in my eyes
You know you got to go through hell
Before you get to heaven

(Chorus)

Touchin' down in New England town
Feel the heat comin' down
I've got to keep on keepin' on
You know the big wheel keeps on spinnin' around
And I'm goin' with some hesitation
You know that I can surely see
That I don't want to get caught up in any of that
Funky shit goin' down in the city

(Chorus)

Yeah, yeah yeah, yeah

Oh, Oh big ol' jet airliner
Carry me to my home
Oh, Oh big ol' jet airliner
Cause it's there that I belong

Copperhead Road (Steve Earle) (Keys: 21) Key: D

**Well my name's John Lee Pettimore
Same as my daddy and his daddy before
You hardly ever saw Granddaddy down here
He only came to town about twice a year
He'd buy a hundred pounds of sugar and some copper line
Everybody knew that he made moonshine**

**Now the revenue man wanted Granddaddy bad
He headed up the holler with everything he had
It's before my time but I've been told
He never came back from Copperhead Road**

**Now Daddy ran the whiskey in a big block Dodge
Bought it at an auction at the Mason's Lodge
Johnson County Sheriff painted on the side
Just shot a coat of primer then he looked inside
Well him and my uncle tore that engine down
I still remember that rumblin' sound**

**Well the sheriff came around in the middle of the night
Heard mama cryin', knew something wasn't right
He was headed down to Knoxville with the weekly load
You could smell the whiskey burnin' down Copperhead Road**

**I volunteered for the Army on my birthday
They draft the white trash first, 'round here anyway
I done two tours of duty in Vietnam
And I came home with a brand new plan
I take the seed from Colombia and Mexico
I plant it up the holler down Copperhead Road**

**Well the D.E.A.'s got a chopper in the air
I wake up screaming like I'm back over there
I learned a thing or two from ol' Charlie don't you know
You better stay away from Copperhead Road
Copperhead Road
Copperhead Road
Copperhead Road**

I took my baby to the zoo, to see what we could see
But when she saw what the elephant had
You know she wouldn't go home with me!**

You make me feel like I am clean again

(Chorus)

(Chorus)

I'll always love you, I'll always love you

Smokin' In The Boys Room (Brownsville Station) Key: X

How you doin' out there? Ya ever seem to have one of those days, where it just seems like everybody's gettin' on your case, from your teacher all the way down to your best girlfriend? Well, ya know, I used to have 'em just about all the time. But I found a way to get out of 'em...

Let me tell you about it!

Sitting in the classroom, thinking it's a drag
Listening to the teacher, just ain't my bag
The noon bell rings, you know that's my cue
I'm gonna meet the boys on floor number two!

(Chorus)

Smokin' in the boys' room
Smokin' in the boys' room
Now, teacher, don't you fill me up with your rules
'cause everybody knows that smokin' ain't allowed in school

Checkin' out the halls, makin' sure the coast is clear
Lookin' in the stalls, "No, there ain't nobody here!"
My buddy Dave, leans back on the wall
To get caught would surely be the death of us all

(Chorus)

(Solo)

All right!
Oh, put me to work, in the school book store
Check out counter and I got bored
Teacher was lookin' for me all around
Two hours later, you know where I was found

(Chorus)

Smokin' in the boys' room (Yes indeed, I was)
Smokin' in the boys' room
Now, teacher, don't you fill me up with your rules
'cause everybody knows that smokin' ain't allowed in school

One mo'!
Smokin' in the boys' room
Oh, smokin' in the boys' room
Smokin' in the boys' room
Smokin' in the boys' room
One more

Smokin' in the boys room
Smokin' in the boys room
Now Teacher I ain't foolin' around with your rules
'cause everybody knows that Smokin' ain't allowed in School!

Princes kept the view
While all the women came and went
Barefoot servants, too**

I know your plans don't include me
Still here we are, both of us lonely

We've got tonight, who needs tomorrow?
We've got tonight babe
Why don't you stay?**

All of my hopes, fading away
I've longed for love, like everyone else does
I know I'll keep searching, even after today

And here we are babe, what do you say?
We've got tonight, who needs tomorrow?
We've got tonight babe
Why don't you stay?**

Tangled Up In Blue (Dylan) Key: D?

Early one morning the sun was shining
I was laying in bed
Wond'ring if she'd changed it all
If her hair was still red
Her folks they said our lives together
Sure was gonna be rough
They never did like Mama's homemade dress
Papa's bankbook wasn't big enough
And I was standing on the side of the road
Rain falling on my shoes
Heading out for the East Coast
Lord knows I've paid some dues getting
through
Tangled up in blue.

She was married when we first met
Soon to be divorced
I helped her out of a jam I guess
But I used a little too much force
We drove that car as far as we could
Abandoned it out West
Split it up on a dark sad night
Both agreeing it was best
She turned around to look at me
As I was walking away
I heard her say over my shoulder
"We'll meet again someday on the avenue"
Tangled up in blue.

I had a job in the great north woods
Working as a cook for a spell
But I never did like it all that much
And one day the ax just fell
So I drifted down to New Orleans
Where I happened to be employed
Working for a while on a fishing boat
Right outside of Delacroix
But all the while I was alone
The past was close behind
I seen a lot of women
But she never escaped my mind and I just
grew
Tangled up in blue.

She was working in a topless place
And I stopped in for a beer
I just kept looking at her side of her face
In the spotlight so clear
And later on as the crowd thinned out
I's just about to do the same

She was standing there in back of my chair
Said to me "Don't I know your name?"
I muttered something underneath my breath
She studied the lines on my face
I must admit I felt a little uneasy
When she bent down to tie the laces of my
shoe
Tangled up in blue.

She lit a burner on the stove and offered me a
pipe
"I thought you'd never say hello" she said
"You look like the silent type"
Then she opened up a book of poems
And handed it to me
Written by an Italian poet
From the thirteenth century
And every one of them words rang true
And glowed like burning coal
Pouring off of every page
Like it was written in my soul from me to you
Tangled up in blue

I lived with them on Montague Street
In a basement down the stairs
There was music in the caf,s at night
And revolution in the air
Then he started into dealing with slaves
And something inside of him died
She had to sell everything she owned
And froze up inside
And when finally the bottom fell out
I became withdrawn
The only thing I knew how to do
Was to keep on keeping on like a bird that
flew
Tangled up in blue.

So now I'm going back again
I got to get her somehow
All the people we used to know
They're an illusion to me now
Some are mathematicians
Some are carpenter's wives
Don't know how it all got started
I don't what they're doing with their lives
But me I'm still on the road
Heading for another joint
We always did feel the same
We just saw it from a different point of view
Tangled up in Blue.

Before He Cheats (Carrie Underwood) Key: F#

**Right now he's probably slow dancing with a bleach blond tramp,
and she's probably getting frisky...**

right now, he's probably buying her some fruity little drink cause she can't shoot whiskey...

Right now, he's probably up behind her with a pool-stick, showing her how to shoot a combo...

And he don't know...

**That I dug my key into the side of his pretty little souped up 4 wheel drive,
carved my name into his leather seats...**

**I took a Louisville slugger to both headlights,
slashed a hole in all 4 tires...**

Maybe next time he'll think before he cheats.

**Right now, she's probably up singing some
white-trash version of Shania karaoke..**

**Right now, she's probably saying "I'm drunk"
and he's a thinking that he's gonna get lucky,**

Right now, he's probably dabbing on 3 dollars worth of that bathroom polo...

And he don't know...

Chorus

**I might've saved a little trouble for the next girl,
Cause the next time that he cheats...**

Oh, you know it won't be on me!

All of those tourists covered with oil
Strumming my six-string
On my front porch swing
Smell those shrimp they're beginnin' to boil**

Searching for my lost shaker of salt
Some people claim that there's a woman to blame
But I know it's nobody's fault**

Nothing to show but this brand new tattoo
But it's a real beauty
A Mexican cutie

Searching for my lost shaker of salt
Some people claim that there's a woman to blame
Now I think, Hell, it could be my fault**

Cut my heel had to cruise on back home
But there's booze in the blender

Last Name (Carrie Underwood) Key: F

Last night I got served a little bit too much of
that poison baby

Last night I did things I'm not proud of
And I got a little crazy

Last night I met a guy on the dance floor
And I let him call me baby

And I don't even know his last name
Oh, my mama would be so ashamed
It started off "Hey cutie, where ya from?"
And then it turned in,
"Oh no, what have I done?"
And I don't even know his last name

We left the club right around three o'clock in
the morning
His Pinto sitting there in the parking lot Well it
should have been a warning
I had no clue what I was getting into
So I blame it on the Cuervo
Oh where did my manners go?

And I don't even know his last name
Oh, my mama would be so ashamed
It started off "Hey cutie, where ya from?"
And then it turned in,
"Oh no, what have I done?"
And I don't even know his last name
Here we go...

Today I woke up thinkin' about Elvis some-
where in Vegas
I'm not sure how I got here
Or how this ring on my left hand just ap-
peared out of nowhere
I gotta go
I take the chips and the Pinto and hit the road
They say what happens here stays here
All of this will disappear
There's just one little problem...

I don't even know my last name
Oh my mama would be so ashamed
It started off "Hey cutie, where ya from?"
And then it turned in,
"Oh no, what have I done?"
And I don't even know my last name

What have I done
What have I done

What have I done
Oh, what have I done
I don't even know my last name

It turned into
"Oh no, what have I done?"
And I don't even know my last name

hey hey hey hey

It started off "Hey cutie, where ya from?"
And then it turned into
"Oh no, what have I done?"
And I don't even know my last name

oh yeah

Whipping Post (Allman Brothers) Key: A (Keys: Organ)

I've been run down
I've been lied to

They're drinkin' in some cross town bar

Sometimes I feel
Like I've been tied
To the whipping post
Tied to the whipping post
Tied to the whipping post

My friends tell me
That I've been such a fool
And I have to stand down and take it babe,
All for lovin' you
I drown myself in sorrow
As I look at what you've done
Nothin' seems to change
Bad times stay the same
And I can't run

If It Makes You Happy (Sheryl Crowe) Key: G

**I've been long, a long way from here

**[Chorus]
If it makes you happy
It can't be that bad
If it makes you happy
Then why the hell are you so sad**

I come round, around the hard way
Bring you comics in bed, scrape the mold off the bread
And serve you french toast again**

**Well, o.k. I still get stoned
I'm not the kind of girl you'd take home**

Bring Me To Life (Evanescence) Key: Em (Keys: Piano)

How can you see into my eyes like open doors?
Leading you down into my core where love becomes so numb
Without a soul my spirit's sleeping somewhere cold
until you find it there and lead it back home

(Chorus)

(Wake me up)

Wake me up inside

(I can't wake up)

Wake me up inside

(Save me)

call my name and save me from the dark

(Wake me up)

bid my blood to run

(I can't wake up)

before I come undone

(Save me)

Save me from the nothing I've become

now that I know what I'm without
you can't just leave me
breathe into me and make me real
bring me to life

(Chorus)

(Bridge)

Bring me to life

(I've been living a lie, there's nothing inside)

Bring me to life

frozen inside without your touch
Without your love, darling
only you are the life among the dead

(Rap)

all this time I can't believe I couldn't see, kept in the dark but you were there in front of me
I've been sleeping a thousand years it seems, got to open my eyes to everything
Without a thought, without a voice, without a soul, don't let me die here, there must be some-
thing more
bring me to life

(Chorus)

Bring me to life

(I've been living a lie, there's nothing inside)

Bring me to life

Amie (Pure Prairie League) Key: G

I can see why you think you belong to me
I never tried to make you think, or let you see one thing for yourself
But now you're off with someone else and I'm alone
You see I thought that I might keep you for my own

Chorus:

Amie what you wanna do?

I think I could stay with you

For a while, maybe longer if I do

Don't you think the time is right for us to find
All the things we thought weren't proper could be right in time
And can you see?
Which way we should turn together or alone
I can never see what's right or what is wrong
(Will it take too long to see)

Chorus

Solo Break

Now it's come to what you want you've had your way
And all the things you thought before just faded into gray
And can you see?
That I don't know if it's you or if it's me
If it's one of us I'm sure we both will see
Won't you look at me and tell me

Chorus - (Longer if I do....)

Chorus

I keep...
Fallin' in and out of love with you
Fallin' in and out of love with you
Don't know what I'm gonna do
I keep...
Fallin' in and out of love...
With you...

South of the river you stop and you hold everything
A band is blowing dixie double four time
You feel all right when you hear that music ring**

Drunk and dressed in their best brown baggies and their platform soles
